For our March Saturday Fun Night Square Dance, we're going to "mix it up" a bit! In addition to **square dancing** we will be randomly mixing partners and trying a variety of other styles of cued dancing like the Virginia Reel, Round Dancing, and Line Dancing! Our caller for the evening is **Vance McDaniel**.

All Fun Night Dances, including this variety night dance, are designed for fun-loving people to enjoy a night of dancing as an American pastime. You do not need to know anything about square dancing (or any dancing) to enjoy yourself. Come on out, **Saturday, March 25, 2017**, and join us for a night of fun!

Please note: Dancing is a couples' activity. Single persons who plan to attend should have a partner.
