PUT YOUR GLAD RAGS ON AND JOIN US, HON! Come learn to dance at our "50's Dance" Saturday Fun Night Dance! Like all the Triangle Square Dance Alliance fun nights, this one is designed especially for YOU to enjoy learning how to **square dance** by active participation! Square dance is four couples (eight dancers) arranged in a square formation. The dancers are guided through a sequence of moves to the beat and phrasing of music by a caller. **Vance McDaniel** will be calling for this fun night!

Chrome out your classy chassis in your best threads and flat out get here to move your feet to the beat! You'll have it made in the shade as you enjoy the great American pastime of Square Dancing. You'll get the word from the bird on what's buzzin' cousin and be hip with the square this very evening! Come on out, **Saturday, May 27, 2017**—you will be glad you did.

Please note: Square dancing is a couples' activity. Single persons who plan to attend should bring a partner.
